Praise and Pray to Almighty God! This Easter 44 catechumens become Catholics in this parish, Alleluia! Thanks be to God either directly or indirectly calling us to become children of our Lord Jesus. In baptism our Original Sin is forgiven and we are filled with Jesus' spirit. From this moment, I promise to involve in Parish activities, help the needy, obey The Ten Commandments, respond to fasting and abstinence, attend mass, receive Holy Sacraments of Eucharist, and reconciliation, pray and read Bible frequently, forgive those who trespass against us and Jesus. Now I am proud to be Jesus' follower and will proclaim the Gospel to unbelievers. Finally, many thanks to all the catechists including Father Chu and Sister Ling leading us to Jesus. I must say "Not that I love Rome less, but that I love you (Jesus) more" (By William Shakespeare), so that we may worship God in peace and tranquility. Praise to God!!

At the moment of my baptism, I was very warmed and touched. In front of hundreds of people, I made my vow to follow Jesus' Word and path to live my life. I never thought I can do it—committing to bible study class and the church when a lot of other equally important things are happening around me. I am very proud of myself. Nothing felt better and cleaner than when the holy water drained all my sin away that night. Although my faith is still not solid, I have made at least my first step to build up the foundation. Since then, I felt God has always been with me. I start to feel bad and guilty when I don't talk to him through my prayer, when I don't go to church and when I act against His Word. At that point, I am confident Jesus plays part in my heart. People serving to the church inspired me and I do want to be part of the big family.

Thanks to the Lord! Leaving the old for the new ... may God bless me, guide me through and stay with Him forever and ever.

磐石

是誰告訴我們，建造在沙土裏的房屋經不起風吹雨打，大風一吹，大水一沖，房屋就會倒塌。唯有建造在磐石上的房屋才會穩如磐石？

是誰教我們的先祖梅瑟用棍杖擊磐石，命令磐石流出水來，給以民飲用，解救了流徙在出谷途中，以色列民族的乾渴之困？

是誰問門徒我是誰？當伯多祿回答說：「你是默西亞，永生天主之子。」時，是誰回答他說：「你是伯多祿（磐石），在這磐石上，

我要建立我的教會，陰間的門決不能戰勝她。」

天主是我們的磐石，是我們的避風港，是我們的堡壘，過去曾是，現在更是，將來亦是，直到永遠。

天主建立的教會是我們的磐石，屹立不倒，發揚光大，直至地極。

天主的子民是磐石，是教會的砥柱，是天主福傳的工具，薪火相傳，直到無窮世。
